### **Missouri Judge Advocate 2023 – 2024**

It has been a busy year as Judge Advocate in 2022 -2023. Several Disciplinary Hearings (all of which could have been avoided with better communication and / or adherence to the By Laws). Several calls for assistance with resetting Post and District By Laws and Standard Operating Procedures. And one of the key areas, answering numerous questions on procedures and protocols. I have always made myself available to assist with all questions.

I have learned well the proper application of the By Laws. I have assisted many Posts in their rewriting of their By Laws and Standard Operating Procedures. These efforts have greatly benefited these Posts. The success of the VFW at all levels has strong basis on how well these levels follows the By Laws.

A lot of my training I gained while working with the Department Meetings aiding with the audio. I was able to observe both good and bad leadership. I often receive many messages asking for advice on many issues. My answers are always based upon the By Laws.

**If Retained as your Department Judge Advocate, this is my Pledge.**

**I will always render sound advice!**

My VFW Eligibility based upon my Army duty in Vietnam- 1971-72.
