

DON HENTGES

Candidate for State Quartermaster

I am a candidate for the office of State Quartermaster for the Dept. of MO. for the 2024-2025 year and I ask for your support.

While I am not an accountant, I feel my experience in the VFW qualifies me for this position.

1) As Department Adjutant from 2019 to present, I am familiar with the inner working at Dept. Headquarters. My office is next to the Quartermaster's so I have worked closely with the current QM.

2) I served on the budget committee for over 15 years, the last several years as chairman.

3) I have been a Post Quartermaster for 23 years, with Post 35 and with Post 1003 after the merger.

I live less than 15 miles from the office and plan to go in most days.

I have been a member of the VFW for almost 40 years and am currently a Gold Legacy Life Member.

I gained my eligibility in Vietnam with the 101st Airborne Division.
