## FOR SURGEON

### VFW Department of Missouri

2022-2023

It is my desire to serve Veterans and their families. I am running for Surgeon for the State of Missouri with that exact intention. I have held various positions at the Post, District, and State levels. I have embraced each position with passion and a strong desire to excel. Also, with each position I believed in the oath that I took and have done my best to uphold all that it stands for. It is with this same conviction that I am seeking the position of Surgeon.

If elected Surgeon, I will meet the challenge with intelligence, passion, strength and integrity. I will carry out the duties expected and gladly take on new duties relative to the position. I will report my findings to my superior officers as well as the membership of the VFW Dept. of Mo.

I served in the U.S. Army for 4 years as a Personnel Management Specialist. I was stationed at Ft. Hood TX, Camp Casey Korea, and Ft. Riley KS. My VFW eligibility is from my tour in South Korea.

I am a Gold Legacy Life Member of Post 1831 in De Soto, a life member of VFW National Home, a member of MOCA, and a member of Missouri District 8 Riders. I reside in House Springs with my husband Bill.

I worked for USDA as a supervisor in the Customer Service Department and retired in April 2020 with 25 years of service.

- At the Post level, I have held the positions of Webmaster, Adjutant, Trustee, Jr. Vice Commander, Sr. Vice Commander, and All-State Commander.
- On the District level I have held the positions of Webmaster, National Home Chairman, Buddy Poppy Chairman, Inspector, Trustee, Chief of Staff, Adjutant, Jr. Vice Commander, Sr. Vice Commander, and Commander.
- On the State level I have served as National Home Chairman, Buddy Poppy Chairman, and Voice of Democracy/Patriots Pen Chairman for three years.
- In 2019 I was honored with a position on the National VFW Programs Committee and was on the Resolutions Committee at the National Convention in Orlando. I was also a judge for the National Buddy Poppy display contest. In 2021 I have been awarded a position on the National VFW Committee on Veteran Service Resolutions at the National Convention in Kansas City.
- I have been awarded the National Aide De Camp four years, the most recent in 2020-2021.
- I am also serving on a newly formed committee to solicit funds in support of the Missouri VSO Program.

I look forward to continuing my service to Veterans and serving Missouri as surgeon for the 2022-2023 year.
