

Incorporation Registration with Missouri Secretary of State

When Eureka Post 5468 attempted to renew their Incorporation Registration with Missouri Secretary of State, they sent a query for assistance.

The Link to Register is <https://bsd.sos.mo.gov/login>

This was their reply.

“Thank you for contacting the Missouri Secretary of State's Office.

On June 15th, the office upgraded to a new filing system. Each user will have to create a new account at <https://bsd.sos.mo.gov/login>. Step by step instructions can be found at <https://www.sos.mo.gov/CMSImages/Business//CreatingAccount.pdf>.

We find the best results are achieved when using Google Chrome. Other browsers may not achieve the desired results.

Once you have logged in to the system, enter the corporation's charter number in the search bar under "Update a Company". A box will populate below the search with the corporation's information. Click on the name of the corporation in the box. This will open a panel on the right side of the page where you can select to file either an annual or biennial registration report.

Please let us know if you have any other questions or require assistance with the new system.

Sincerely,

Business Services-Corporations

Missouri Secretary of State Jay Ashcroft
