

THE FINAL YEAR-END PUSH!

We still have a month to go and success is in sight! But we're going to need everyone to make that push to bring us over the top and hit our membership goal! The clock is ticking down towards the end of the year, there is still time to show the world what we can do!

As we enter the final month of the year, we have half a dozen Departments that have already surpassed the 102% membership goal, and many more just a few members away! This is going to be a year where we show true, legitimate membership growth and every Department can still achieve that goal!

If your Department is already above 100% and you show a 2% increase in the month of June, you'll receive a \$3,000 award to recognize all the work you've done!

If your Department is not yet above 100%, if you increase membership by 3% during June and end the year above 100%, you will also receive that \$3,000 award!

Now is not the time to hang up our guns and say "We'll hold off until next year" - we're the Veterans of Foreign Wars, we don't quit because we know that recruiting and retention is our mission, 365 days a year!

Look to your Posts and Districts and see who needs assistance with retention and recruiting. Utilize your Unpaid/Relocate lists to find lapsed members just waiting to be contacted. We want everyone out there putting in the effort to grow our membership, to empower us to fulfill our important mission, and to go out and
