

**VETERANS SERVICE ORGANIZATION EVENT
ATTENDEE PACKAGE**

VETERANS HELPING VETERANS

ABOUT OUR EVENT

PLEASE JOIN US IN THIS EVENT TO SHARE THE IMPORTANT WORK THAT YOU DO FOR OUR FELLOW VETERANS!

Our goal is to host one of the largest Veteran Service Organization event in the Midwest, with 50+ Veteran Service Organizations both affiliated and not affiliated with the VFW. With this being a large event we believe we can help our fellow Veterans and First Responders to learn about the myriad of organizations available to assist them.

Service to our country can lead to day-to-day issues with PTSD, physical and mental health, mobility, finances and so much more. We know you see it everyday. Another part of this event is for the families of our Veterans and First Responders; a spouse, child, sibling, parent or other family member or friend. Being a caregiver to our Veterans and First Responders who may be disabled can have its own challenges.

We see the work that so many of you do and we want to give you a platform to share, many times vital, information with those who need it most.

When

October 28th, 2023

Set up will start at 7am and we will be open to the public from 10AM-6PM

Where

We are having this event at the National WWI Museum and Memorial on the South East lawn. This will give us plenty of room for the estimated 6,000+ attendees.

WHAT WE ARE ASKING FROM OUR FELLOW VSO'S

Bring a table, chairs and any information you would like to share with the community in general.

Each VSO will be given approximately a 10X10 space to set up which should give you space for a standard canopy. One designated parking pass at the site and assistance for unloading and loading your vehicle.

We do ask for a \$25 donation to assist with the costs for renting the location, and other necessary fees for an event of this magnitude. The goal is to keep your costs minimal and work with Sponsors to pay for most of the fees and any overage will go to our Veterans Unmet Needs Fund and to Benilde Hall.

"Sales" are not allowed but a gift to recognize a donation is allowed, i.e. "Thank you for your donation, can we give you a shirt in thanks".

VETERANS SERVICE ORGANIZATION EVENT SPONSORSHIP PACKAGE

WHAT IS OUR EVENT

Our goal is to host one of the largest Veteran Service Organization events in the Midwest, with 50+ VSO's both affiliated and not affiliated with the VFW. The VFW motto is "No one does more for Veterans". With this event we can help our fellow Veterans and First Responders to learn about the myriad of organizations available to assist them. Just a few of them are Warriors Ascent, Horses for Heros, F.I.S.H. and Heros on the Water. Service to country can lead to day-to-day issues with PTSD, physical health, mobility, mental health, finances and so much more. Many VSO work with both our Veterans and First Responders, knowing that many have the similar needs, to alleviate and even resolve these issues.

Another part of this event is for the families of our Veterans and First Responders, a spouse, child, sibling, parent or other family member or friend. Being a caregiver to our Veterans and First Responders who may be disabled can have it's own challenges. We have VSO's that support those caregivers like Caregivers on the Homefront.
